

# Design Line Readers

## STRENGTH

- +2.5** If you are wearing glasses,
- +2.25** please remove them. Stand 14 inches
- +2.00** away and read this sample type. Select the
- +1.75** power when you reach the first line that is not clear.
- +1.50** Verify this test by reading the chart with the Design Line
- +1.25** reader in the corresponding power. All of the type should be in focus.
